Sub: **Capacity building of State Administrative Officers at GAA, Bhubaneswar.**

Sir,

Hon'ble Chief Minister has given three mantras *Technology, Transparency and Team Work* to be diligently adopted in the delivery of public services. The field functionaries of Revenue & DM Department such as Sub-Registrars, Tahsildars, Land Acquisition Officers and ADMs play key role in delivering large number of number of services and more than 31 services are covered under ORTPS.

Following the above guidance of Hon'ble CM, the Department has initiated comprehensive drive for automation of all field offices including RI offices, Tahasil offices and Sub-Registrar offices. These offices have to cope up with the use of technology and learning of automation. Officers also need to perform the role of leaders as well as to exhibit the managerial skills. However, it is observed that the above mentioned field officers need exposure to latest technical knowledge, leadership quality and managerial ability and skills. Therefore, specific training by domain experts is required to enhance the knowledge sphere and skill capacity of these officers.

To augment the leadership quality, skilled capacity and managerial ability of these OAS officers, they may be imparted training by eminent faculties of premiere Institutions/ Centre of Excellence of the country like IIMS, TISS, XIMB, ASCI etc. That will enable them to deliver the services in most professional manner and match the expectations of the people as well as the Government.

In this regard, you are requested to have collaborations and knowledge partnerships with these Institutes/ Centre of Excellence for hiring facilities of eminent professionals. You are, further, requested to do necessary budgetary resources or for getting assistance from this Department immediately under intimation to this Department.

Yours faithfully,

Principal Secretary to Government
