

**GOVERNMENT OF ODISHA
FINANCE DEPARTMENT**

No. 32660 /F., Dated 10.10.2018
FIN-PUIF-SLBC-0007-2018

From

**Shri P.K.Biswal, IAS
Additional Secretary-cum-Director, Institutional Finance**

To

Regional Head of all Banks (list enclosed)

Sub: **Expression of Interest (EoI) with scope of work and roles/responsibilities of various entities involved for engaging Fair Price Shop as Banking Correspondents.**

Sir,

In inviting a reference to the subject cited above, I am directed to say that it was decided in the meeting of the committee for engaging FPS for BC activities held under the chairmanship of the Additional Chief Secretary, Finance, to circulate an Expression of Interest (EoI) with scope of work and roles/responsibilities of various entities involved for engaging Fair Price Shop as Banking Correspondence to the Banks.

The Expression of Interest (EoI), prepared by the State DBT Cell, Finance Department can be downloaded from the website of Finance Department at <http://finance.odisha.gov.in>. All the Banks are requested to go through the EoI and submit their offers.

Encl:- Expression of Interest

Yours faithfully,

10/10/18
**Additional Secretary-cum-
Director, Institutional Finance**

Memo No. 32661 Dated 10.10.2018

Copy along with copy of the enclosure forwarded to the Commissioner-cum-Secretary to Government, FS&CW Department for information and necessary action.

10/10/18

Under Secretary to Government

Memo No. 32662 Dated 10.10.2018

Copy along with copy of the enclosure forwarded to the Convener, SLBC, UCO Bank Building, 3rd Floor, C-2, Ashok Nagar, Bhubaneswar-751009 for information and necessary action. It is requested to circulate the EoI to all the Banks.

10/10/18

Under Secretary to Government

Memo No. 32663 Dated 10.10.2018

Copy along with copy of the enclosure forwarded to the Head, Portal Group, IT Centre, Secretariat for hosting in the Finance Department website.

10/10/18

Under Secretary to Government

EXPRESSION OF INTEREST

Last Mile Delivery of Banking Services through Fair Price Shops in Odisha

State Direct Benefit Transfer Cell

Department of Finance

Govt. of Odisha

October 2018

1. Invitation for EOI

1.1. EOI Notice

Finance Department, Govt. of Odisha invites proposals from interested Banks listed with SLBC Odisha for providing Banking Correspondent (BC) services through Fair Price Shops in the State. The bidders, who intend to participate in this EOI, are required to follow the below mentioned stages:

1. Submission of pre-bid queries.
 2. A presentation on operational and business model as per details provided in this EOI document.
 3. EOI proposal submission in hard copy (as well as soft copy to be emailed to the ID provided in this EOI).
 4. Opening of the proposals
- I. Finance Department reserves the right to reject any or all the Proposals in whole in whole or part without assigning any reasons.
- II. The EOI document is not transferable.
- III. Proposal validity is 180 days.

1.2. Data Sheet

S. No.	Information	Details
1.	EOI Issuing Authority	Finance Department, Government of Odisha
2.	EOI Issue Date & No.	10/10/2018 & xxxxx
3.	Last date and time for submission of queries for clarifications to EOI	22/10/2018, 5 PM
4.	Date, time and venue for pre-bid meeting	30/10/2018, 11 AM *Venue: To be informed later

S. No.	Information	Details
5.	Date and time for response to pre-bid queries & publication of corrigendum	3/11/2018, 5 PM
6.	Last date, time for receipt of proposals in response to the EOI	16/11/2018, 5 PM
7.	Date and time for Presentation	27/11/2018, 11 AM onwards
8.	Language	Proposals should be submitted in English only.
9.	Name and address for communication, submitting pre-bid queries, seeking clarifications and submission of proposal	Director, Institutional Finance, Finance Department, Govt. of Odisha, Secretariat Building, Bhubaneswar-751001. Email ID: pbiswal804@gmail.com puif.fd@gmail.com

2. Background

The Government of Odisha provides many benefits to the citizens through government run schemes. Many of these schemes include financial benefits to the eligible citizens. The government now wants to ensure that benefits extended to the citizens under each of these scheme are seamlessly transferred to the beneficiary's bank accounts. The purpose of Direct Benefits Transfer (DBT) is to ensure that benefits go to individuals' bank accounts electronically, minimising tiers involved in fund flow thereby reducing delay in payment, ensuring accurate targeting of the beneficiary and curbing pilferage and duplication. This will also ensure expeditious transfer of benefits through a transparent e-Governance initiative.

2.1 About Odisha DBT

The DBT facility was introduced in 2013 to eliminate the role of middlemen between government agencies and targeted beneficiaries of the schemes, thus ensuring that whoever is granted money gets it directly in their bank accounts.

The Government of India has issued directives for implementation of DBT under all centrally sponsored schemes by June 2016. Aim of DBT is to transfer subsidies, scholarships and other welfare benefits directly to the bank account of beneficiaries. The scope of DBT is not limited to cash benefits but also includes in-kind benefits, which are provided by the government to individuals either directly or through an intermediate agency. In order to establish coordination between the Centre and State governments for expedited decision making, eliminate duplication of efforts and resolve conflicts, the States have been asked to setup 'DBT Cells'. State level DBT cells have the onus to coordinate efforts to implement DBT system in different central and state schemes.

In pursuance to the guidelines issued by DBT Mission of Government of India, Government of Odisha has set up a State DBT Cell in Finance Department with Additional Chief Secretary, Finance as the State DBT Coordinator. The State DBT Cell functions under overall guidance of the State DBT Advisory Committee and provides technical and secretarial support for rollout of DBT in the State. Govt. of Odisha had sought assistance from the World Bank in strengthening the State DBT Cell. Initially, 13 schemes (Central and State sponsored) have been selected in phase I for implementation of DBT in Odisha.

The target of the project is to provide 100% banking coverage and DBT payment for all central and State schemes. However, implementation of DBT faces major challenges such as lack of banking facilities in rural areas of the State and widespread use of paper based processes. One of the main challenges is Last Mile Delivery, which is majorly due to unbanked areas across the State. The roadmap for the project is illustrated in the figure below.

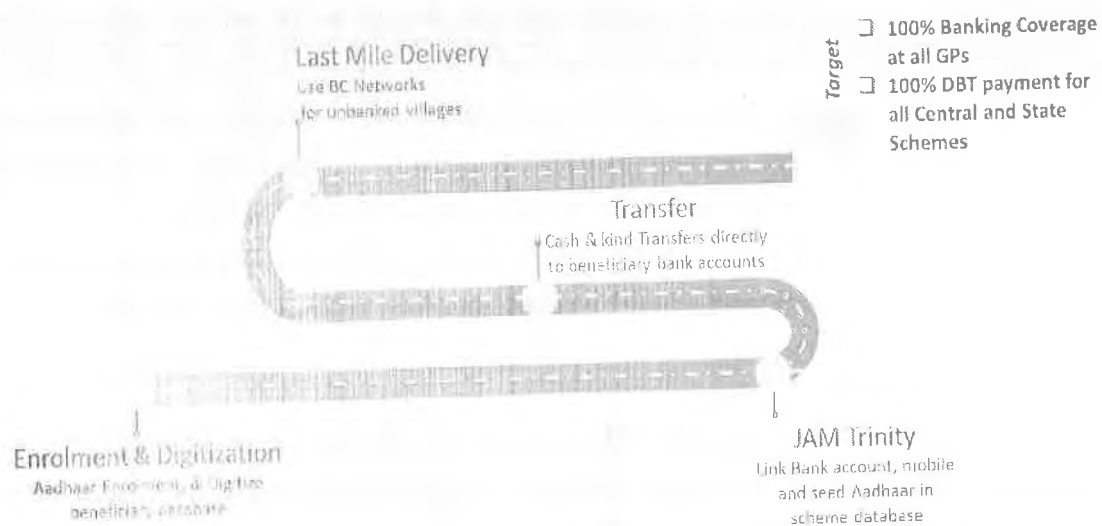

Figure 1: Project Road Map & Focussed area

Government of Odisha is already using Direct Benefit Transfer for providing subsidies under various schemes and has target to achieve 100% schemes and beneficiaries to be covered through DBT. Access to institutional financial service is very important which can play a critical role in disbursing subsidies to all the beneficiaries. For transfer of money, each beneficiary needs a bank account and government needs their account numbers. This is being achieved through Jan Dhan Yojana. As on 22nd August 2018, 1.28crores beneficiaries have opened bank accounts in the State under Pradhan Mantri Jan Dhan Yojana (PMJDY) (source: <https://www.pmjdy.gov.in/statewise-statistics>).

2.2 Status of Unbanked GPs in Odisha

In Odisha, 4462 gram panchayats (GPs) were unbanked till financial year 2017-18. State Level Banker's Committee (SLBC) has drawn up an action plan for banks operating in the State for providing banking services in all the unbanked GPs of the State. SLBC accordingly allotted the identified unbanked GPs among banks having operations in the State to set up brick and mortar branches.

As on June 2018, the number of unbanked GPs in Odisha has come down to 416 (which do not have a brick and mortar branch or banking outlet), after the consistent efforts of SLBC and concerned banks. The current list of unbanked GPs is provided at Annexure.

2.3 Challenges in Last Mile Delivery of Benefits

The DBT exercise is undoubtedly a mammoth exercise and Last Mile delivery is the biggest hurdle. In fact, the Jan Dhan Aadhaar Mobile (JAM) agenda is as well constrained by the last-mile challenge of getting money from banks into beneficiaries' hands, especially in rural areas. One of the key challenge is inadequate touch points relative to population. Despite

higher number of commercial bank branches, the overall number of financial access points has been among the lowest in India (*source: IMF's Financial Access Survey 2015*).

It is not that Government did not gauge the problem when DBT was rolled out in last few years. The concept of banking correspondents was floated, who would go house-to-house to disburse payments through micro-ATMs. But the banking correspondent's model is still in a nascent stage and needs a big push.

The current approach of using standalone BCs have multiple challenges as mentioned below:

- Connectivity
- Power supply
- Lack of awareness
- Trust Factor
- Distance of BC Kiosk
- Number of Active BCs
- Bank server is slow
- Lack of support to BC from concerned bank
- Issue in PoS machine/ Micro ATM
- Delay in transfer of fixed pay & incentives to BCs

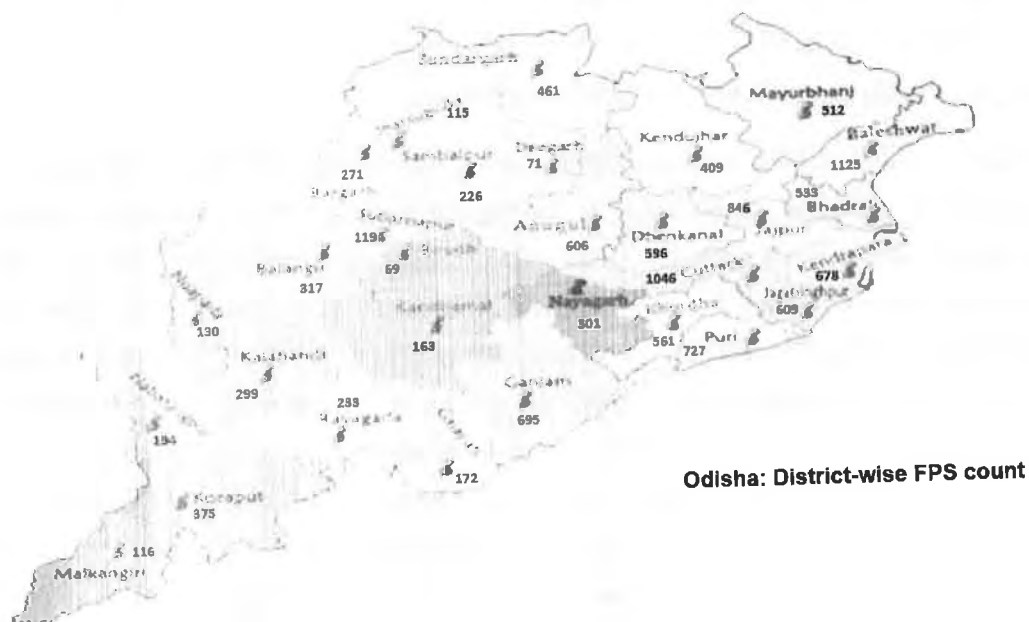

3. Leveraging Fair Price Shops (FPS) for Last Mile Delivery

Due to a lack of self-sustaining revenue component in the individual BC model, continuity in service delivery is impacted. Consequent to the service delivery impact, customer uptake reduces which becomes a vicious cycle. The proposed solution to address the aforementioned concern is to leverage existing institutions such as FPS as Banking Correspondents. The trust factor of the end customer is high for FPS, as they have existed for a long time and have close interaction with the people at the grass root level. In addition to the trust element, the spread and reach is also unparalleled. The institutional framework of FPS is well defined and provides a better monitoring framework for the State Government. Also, FPS have a relatively better coverage and accessibility for Beneficiaries. As per a quantitative survey conducted by World Bank team in 2 districts of Odisha with a sample size of 1200 households, it was found that 80% of the households have transacted with FPS in last 6 months and 78% reporting 0-5 kms distance to the FPS. Uptake of BC activities by FPS will result in additional financial support for them as central/State government provides incentives to BCs for their respective central/state specific schemes on a per transaction basis.

FPS are distribution channels of Government making available the essential commodities like rice, kerosene, wheat etc, to common man at subsidized prices. To buy items from FPS, one must have ration card under NFSA 2013. Currently, there are 12615 no. of FPS shops operating in Odisha under administrative control of Food Supplies & Consumer Welfare (FS&CW) Department, Govt. of Odisha. The district and block-wise distribution of FPS across the State along with number of families and beneficiaries is provided at Annexure III. There are 4 types of FPS across the State, based on their ownership model:

- ❑ Govt. owned FPS at GP
- ❑ FPS Owned by SHG Federation
- ❑ FPS owned by Cooperative
- ❑ FPS Owned by Private Entity

FS&CW department has plans to establish govt. owned FPS in each GP of the State in future.

number is being entered manually for pulling up beneficiary details and entitlements from the system, in order to continue with the process of authentication, entitlement distribution and transaction completion. The process of biometric authentication involves validating beneficiary's ration card and verifying his/her identity by capturing fingerprint data using PoS in the FPS, and cross checking with Aadhaar information stored in the database on UIDAI servers. The PoS machine is having inbuilt printer which helps the beneficiary to get the receipt of the transaction.

The FPS is supposed to have connectivity to ensure all work to be done on real time basis. The updation in central server is done once transaction is completed. 10% of the FPS do not have internet connectivity, list of which is provided at Annexure IV.

3.2 FPS Operating Methodology

Based on the approval of application by concerned authority, the FPS agent is being registered and allowed to open FPS to distribute rations to ration card holders. Sub Collector is the licensing authority for FPS agents in a Sub-Division. Beneficiaries collect rations from the FPS by authenticating his/her Aadhaar using PoS machine. The real time logging and transfer of transaction details are automatically sent to the FPS automation database server.

4. Proposed Model

The Govt. of Odisha has decided to allocate FPS shops (which are either privately owned or owned by SHG or Cooperatives) among multiple Banks in order to facilitate last mile delivery of banking services through FPS network across the State. There are 236 FPS in the state which are privately owned or owned by SHGs and Cooperatives (list provided in Form 7), which are located in the 416 unbanked GPs. It is proposed to utilize these FPS as BCs under the present proposal.

Odisha State Civil Supplies Corporation Ltd. (OSCSC), the designated agency of FS&CW department, Govt. of Odisha shall act as **Corporate Banking Correspondent (Corporate BC)**. Under the Corporate BC model, FPS operators shall work as **BC Agents (BC)** and adhere to various operating terms and conditions as per RBI guidelines.

Banks have to ensure adherence to RBI regulations and guidelines for establishment of BC services (as provided in this EOI) and also for payment methods to be adopted by BCs.

4.1 Presentation by Bank & EOI submission

The bidders have to deliver a presentation to the evaluation committee after submission of EOI. The presentation shall be on their proposed model for establishing BC network through FPS, while considering and covering the following aspects:

- Proposed approach and methodology for rolling out the model should be using either existing PoS device installed at FPS or using alternate PoS to be supplied by banks. Also, necessary integration/configuration has to be done in PoS for accepting payments using debit/credit cards with features like auto settlement functionality, digital payments like USSD, UPI, Aadhaar Pay, Bharat QR etc.
- Commission structure proposed to be given to FPS operators for carrying out BC activities.
- Other operational items involved for carrying out BC activities through FPS are Deposit, Withdrawal, Remittance and Credit proposal processing and Insurance like PMSBY, PMJJBY.
- Alternate connectivity options to be proposed in FPS with either poor or no connectivity.
- Cash management process to be adopted by banks for rolling out this model.
- Experience of the banks in rolling out similar model in other States (through FPS/CSC/other alternate channels) along with best practices, if any.
- Proposed approach and methodology, queries and Q&A

The banks shall submit their EOI with following details:

- Proposed approach and methodology for rolling out the last mile delivery model in consideration, using either existing PoS device installed at FPS or using alternate PoS to be supplied by banks. Also, necessary integration/configuration has to be done in PoS for accepting payments using debit/credit cards with features like auto settlement functionality, digital payments like USSD, UPI, Aadhaar Pay, Bharat QR etc.(Form 2).
- Cash management process that is to be adopted by banks for rolling out this model (Form 3).
- Details on similar roll out model in other States (through FPS/CSC/other alternate channels) along with best practices, if any (Form 4).
- Bank's coverage of Brick & Mortar branches in Odisha (Form 5).
- Bank's coverage of BC model operational in Odisha (Form 6).
- Bank's response regarding presence of B&M branch close to GP, distance from respective GP office and willingness for BC (Form 7).
- Banks shall have to propose alternate connectivity options for FPS having either poor or no connectivity (list provided in Annexure IV)(Form 8).

- The banks shall propose the commission/incentive structure to be given to FPS operators for carrying out BC activities (Form 9).

Response to Form nos. 5, 6, 7, 8 & 9 are also to be submitted in separate Excel files along with the soft copy of proposal.

4.2 Evaluation of EOI

After submission of relevant documents and presentation by respective banks, the evaluation shall be done based on the following parameters:

S No.	Criteria	Max. Marks
1.	Bank's experience in rolling out similar last mile delivery model through FPS/CSC/other alternate channels in other States (1 State: 5 marks, 2 States: 10 marks, > 2 States: 20 marks)	20
2.	Proposed approach and methodology for rolling out last mile delivery through FPS	20
3.	Bank's coverage of Brick & Mortar branches in Odisha: <ul style="list-style-type: none"> ○ No. of branches \geq 50: 20 marks ○ $5 \leq$ No. of branches $<$ 50: 10 marks ○ No. of branches 1-5: 5 marks 	20
4.	Bank's BC network (operational) in Odisha: <ul style="list-style-type: none"> ○ No. of BCs \geq 500: 20 marks ○ $50 \leq$ No. of BCs $<$ 500: 10 marks ○ No. of BCs 1-50: 5 marks 	20
5.	Presentation by banks (as per sec. 4.1)	20
Total		100

The banks scoring at least 50 marks as per above evaluation criteria would be considered as qualified for the selection process. In case of a tie of marks, the decision of Finance Department shall be final & binding for selection of Bank.

4.3 Uniform incentive/commission for various BC services

The selected banks have to adhere to the average commission/incentive for various BC services, taking into account different commission/incentive proposed by banks. This is to provide a uniform incentive structure to all FPS irrespective of bank.

For example, if the incentive provided in following table is proposed by qualified banks for a particular service, then in the below scenario, incentive proposed by Bank 2 is minimum and incentive proposed by Bank 3 is maximum.

Service	Bank 1	Bank 2	Bank 3	Bank 4	Bank 5
Cash withdrawal	0.5%	0.2%	1%	0.5%	0.4%

The final incentive structure for that particular service is to be calculated by taking average of maximum and minimum value and the same average value is to be followed by each bank for providing that particular service through FPS. Similar procedure will be carried out to determine incentive for all the other BC services.

4.4 Allotment of Banks to FPS

Initially, the allotment of interested FPS as BC agent to banks shall be done in 416 unbanked GPs (list provided in Annexure V) and 2012 unbanked villages (as per list provided by DFS, Govt. of India - Annexure VI) in a phased manner. Then, the remaining interested FPS shall be allotted BC agents. Out of the total FPS that is operating in State, a list of FPS would be formed between those who are willing and agree to become BCs for the last mile delivery. Thereafter, the following step shall be undertaken for allocation of banks to FPS:

The list of FPS operating in 416 unbanked GPs is enclosed in Form 7. The banks shall have to provide their respective presence of B&M branches in proximity of GP in which the FPS is operating and also express their willingness to start BC functioning through that FPS. The Bank having a branch which is closest to GP of the respective FPS shall be given priority to start BC operation through that FPS. In case multiple banks have the same proximity from GP of the respective FPS, then the competent authority shall decide on the allocation of Bank to that FPS.

If some FPS are left out after the above step, Finance department shall decide upon a strategy for allocation of FPS to banks going ahead.

The selected bidders shall sign an agreement/MoU with the Odisha State Civil Supplies Corporation Ltd. (OSCSC).

The various stakeholders involved in this model shall have to perform their roles and responsibilities as elaborated in the scope of work of the EOI.

5. Scope of Work

The scope of work for various stakeholders involved along with their associated roles and responsibilities would be as follows:

5.1 Fair Price Shop Operator

- i. Should open an account with the bank and sign undertaking/agreement with the FS&CW department (Corporate BC).
- ii. Display information relating to the service charges recoverable from customers, Do's & Don'ts for customers, contact details of link branch and working hours appropriately.
- iii. Process and submit account opening application to the bank.
- iv. Provide banking services (Cash-In and Cash-Out, account opening, other banking services, and payment services) to the common people through AePS as well as non-AePS service.
- v. Maintain records, registers, accounts and documents relating to customer information in such manner so that those can be isolated, identified and segregated and shall protect the absolute confidentiality thereof.
- vi. Provide access to documents, accounts, records of transaction, registers for officers/agents/employees/representatives/auditors of the bank and also provide access to premises/places where such records are kept/maintained.
- vii. Conduct all banking transactions online and provide printed receipt for all transactions to customers.

5.2 Dept. of FS&CW, Govt. of Odisha/OSCSC

- i. Ensure due diligence on selected FPS Operators as BC.
- ii. Ensure that regular services are offered to the customers by BCs (at least 4 working hours per day for 5 days a week).
- iii. Facilitate proper training to BCs on handling their responsibilities particularly aspects like soliciting customers, hours of calling, privacy of customer information and informing correct terms and conditions of the product offered etc.
- iv. Ensure that BCs shall not engage in levying service charges over and above the bank's advised rates.
- v. Agree that Bank shall be entitled to inspect and audit records (pertaining to BC activities) maintained by BCs through its officers/employees or agents/auditors as may be decided by bank at its sole discretion. Agrees that the complaints/feedback if

any received from customer of banks in respect of services rendered shall be recorded and bank/RBI shall have access to such records.

- vi. Ensure that appropriate and suitable undertaking/agreements are obtained and maintained from FPS appointed as BCs.
- vii. In the event that a BC becomes legally compelled pursuant to any statutory or regulatory provision, court or arbitral decision, governmental order or stock exchange requirements to disclose any of the confidential information, the compelled as far as possible will provide the bank with prompt written notice. In any case, the compelled party will furnish only that portion of the confidential information which is legally required and will exercise all reasonable efforts to obtain reliable assurance that confidential treatment will be accorded to the confidential information.
- viii. Ensure that only BCs having bank allocated code will access the system and any deviation from this practice will call for necessary action including termination.
- ix. Shall bear the maintenance cost of PoS devices.
- x. Keeps escalation matrix in place for complaints and issues faced by BCs.

5.3 Banks

- i. Provide contact details of link branch to BCs and also explain about the Do's & Don'ts for customers
- ii. Provide training on BC activities, specific products and services, maintaining records and registers.
- iii. Define commission structure payable to BC and charges recoverable from customers.
- iv. Redress customer complaints for the services rendered by BC.
- v. Monitor and assess the performance of services rendered by BC, and wherever the bank discovers any deficiency or non-performance of services up to the mark, the Bank shall instruct the Corporate BC in writing.
- vi. Provide technical support during CBS integration in PoS devices and also provide support to BC on site regarding software issues.
- vii. Provide timely remuneration to the BCs.
- viii. Banks have to ensure adherence to RBI regulations and guidelines for establishment of BC services (as provided in EOI)) and also payment methods to be adopted by BCs.
- ix. The BCs shall provide banking services (Cash-In and Cash-Out, account opening, other banking services and payment services) to the common people through AePS as well as non-AePS service.

All the stakeholders have to follow the RBI guidelines on financial inclusion by extension of banking services.

5.4 RBI mandate & guidelines¹

- i. Due diligence may be carried out on the individuals/entities to be engaged as BCs prior to their engagement. The due diligence exercise may, inter alia, cover aspects such as reputation/market standing, financial soundness, management & corporate governance, cash handling ability and ability to implement technology solutions in rendering financial services.
- ii. While a BC can be a BC for more than one bank, at the point of customer interface, a retail outlet or a sub-agent of a BC shall represent the bank which has appointed the BC. However, it has now been decided to permit interoperability at the retail outlets or sub-agents of BCs (i.e. at the point of customer interface), provided the technology available with the bank, which has appointed the BC, supports interoperability, subject to the following conditions:
 - The transactions and authentications at such retail outlets or sub-agents of BCs are carried out on-line
 - The transactions are carried out on Core Banking Solution (CBS) platform
 - The banks follow the standard operating procedures to be advised by the Indian Banks' Association (IBA)
- iii. The terms and conditions governing the contract between the bank and the BC should be carefully defined in written agreements and subjected to a thorough legal vetting. While drawing up agreements, banks should strictly adhere to instructions contained in the guidelines on managing risks and code of conduct in outsourcing of financial services by banks, issued by Reserve Bank of India on November 3, 2006. The banks will be fully responsible for the actions of the BCs and their retail outlets / sub agents.
- iv. KYC and AML procedures, as laid down in the Master Circular DBOD.AML.BC. No.2/14.01.001/ 2010-11 dated July 1, 2010 and subsequent circulars on the subject should be followed in all cases.
- v. With a view to providing operational flexibility to banks and in view of the technological developments in the banking sector, it has been decided to remove the stipulation regarding distance criteria. The banks should, however, while formulating the Board approved policy for engaging BCs, keep in mind the objectives of adequate oversight of the BCs as well as provision of services to customers while deciding how to modify extant distance criteria.
- vi. The remuneration should combine fixed and variable parts dependent, inter-alia, on some indication or measure of customer satisfaction. Some part of the variable remuneration could be deferred or clawed back in case of deficiency of service.

¹ RBI guidelines on financial inclusion by extension of banking services (BCs) : Annexure-II and discussion with RBI officials at Bhubaneswar

vii. The transactions should normally be put through ICT devices (handheld device/mobile phone) that are seamlessly integrated to the Core Banking Solution (CBS) of the bank. The transactions should be accounted for on a real time basis and the customers should receive immediate verification of their transactions through visuals (screen based) or other means (debit or credit slip).

The arrangements with the BC shall specify:

- Suitable limits on cash holding by intermediaries as also limits on individual customer payments and receipts;
 - Cash collected from the customer should be acknowledged by issuing a receipt on behalf of the bank;
 - That all off-line transactions are accounted for and reflected in the books of the bank by the end of the day; and
 - All agreements/ contracts with the customer shall clearly specify that the bank is responsible to the customer for acts of omission and commission of the BC.
- viii. The charges for offering various services should be indicated in a brochure and made available at the retail outlets/with the sub-agents.
- ix. In case a company is engaged as BC by more than one bank, it should be ensured that customer and account details are kept separate and no co-mingling of data.
- x. The banks should constitute Grievance Redressal Machinery within the bank for redressing complaints about services rendered by the BCs and give wide publicity about it through electronic and print media.
- xi. There should be a uniform transaction fee/commission proposed by all banks in the agreement with FPS.
- xii. BC Settlement account reconciliation should happen within 24 hours.
- xiii. List of notifications/circulars issued by the RBI to all domestic Scheduled Commercial Banks on use of BCs is mentioned at Annexure-II.

6. EOI Response Format

6.1 Form 1: Cover Letter

EOI No: xxxxxxxx Date: _____

<Location>

To

Director, Institutional Finance
Finance Department, Govt. of Odisha,
Odisha Secretariat, Bhubaneswar – 751001.

Subject: Submission of EOI: Selection of Banks to establish last mile delivery of banking services through FPS network, Odisha.

Dear Sir,

I/We, the undersigned, offer to provide our services against your EOI No. <Insert EOI no> dated <insert date>. We are hereby submitting our Expression of Interest in printed format. We hereby declare that all the information and statements made in this EOI response are true and accept that any misinterpretation/ misrepresentation contained in it may lead to our disqualification.

We agree to abide by all the terms and conditions of the EOI document. We understand you are not bound to accept any proposal you receive.

We hereby declare that our proposal submitted in response to this EOI is made in good faith and the information contained is true and correct to the best of our knowledge and belief.

Yours sincerely,

Authorized Signature [In full and initials]

ANNEXURE I: TECHNICAL SPECIFICATIONS & FEATURES OF POS DEVICE AT FPS

Overview

VISIONTEK GL-11 PoS terminal is equipped with ARM Cortex A9 @ 1GHz processor, Finger Print Scanner, 3.5 TFT Colour LCD display with Touch Screen and QWERTY keypad. These features are specially designed to address Micro ATM, NPCI, UID and PDS requirements with biometric Finger Print Authentication for Aadhaar based transactions.

VISIONTEK GL-11 other optional features are ISO 7811 for Magnetic Swipe Card Reader, ISO 7816 supported Smart Card Reader (optional Dual Contact Smart card reader), Contactless card reader and Finger Print Scanner. The fingerprint sensor is conveniently placed for user access.

GL-11 supports rich QT GUI with Linux(3.0.35)/Android (4.4.2) and it comes with seamless connectivity options like GSM/GPRS 2G/3G Bluetooth, WiFi and Ethernet.

Features

- Touch Screen TFT Color LCD with 320 X 240 Pixels
- Virtual Keypad on LCD
- QWERTY Keypad
- Built-in Magnetic Swipe Card Reader
- Smart Card Reader / Contactless Reader
- In-built Camera with Flash (5 Mega Pixel)
- Bluetooth
- Linux/Android operating system
- Optical Finger Print Scanner of ANSI & ISO formats
- 1:10 templates for Digital persona optical scanner
- Storage capacity of up to 500 users or 1,000 templates
- High Performance Optical Sensor (500dpi) with large capture area 14mm x 22mm
- In-built Speaker for announcements
- GPS and Wi-Fi

Specifications

Display	3.5Inch Touch Screen TFT LCD 320 X 240 pixels Virtual Keypad on LCD 3.5 inch colour VGA 640 X 480 resolution
Processor	ARM Cortex A9 @ 1GHz
Memory	RAM 512 MB Upgradable upto 1GB; Flash 8GB (Internal)
Operating System	Linux(3.0.35)/ANDROID(4.4.2)
Keypad	QWERTY Keypad; Alpha Numeric (A-Z;0-9); Function keys (F1-F8) Special Keys(Shift, Back, Cancel, Enter, Space, Fn)
Printer	Thermal graphic printer;8 dots/mm
Speaker	1W Speaker supporting WAV and MP3 files
Interfaces/Connectors	Micro SD (upto 16GB); 2 SAM Slots; 2 SIM Slots
Finger Print Scanner	High Performance Optical Sensor (500dpi), MINEX & NIST Certification for FPS;Optical / Capacitive
Communication Modules	a) LAN 10/100 BASE-T; Standard RJ45 connection b) Quad Band: GSM/GPRS/EDGE; Dualband:UMTS/HSPA+SMA female antenna connection; c) Wi-Fi with b/g/n supports
GPS	Inbuilt GPS Module
Camera	Inbuilt Camera (5 Mega Pixel), QR code supported with 1sq.cm image
Bluetooth	Inbuilt Bluetooth
Power Adaptor	AC input 100 - 240V, 50/60Hz DC output 9V, 2.2A
Battery	Li-ion Polymer 7.4V/2600mAh
Enclosure	ABS+PC
Temperature	Operating : 0°C to 55°C
Humidity	95% RH non condensing
Immunity	IEC 61000-4-2, Level 3 IEC 61000-4-3, IEC 61000-4-4, IEC 61000-4-5, IEC 61000-4-6, IEC 61000-4-8, IEC 61000-4-9, all Level 4
Safety	CE Certified
Dimensions (mm x mm x mm)	245 x 96 x 85 (L x W x H)
Weight	750 gms
Certification	STQC Indicates optional feature OS updates done using RTMS
