Sub : Delay in publication of land acquisition notification/declaration in Oriya language newspapers.

Sir,

Enclosed, please find herewith a review of pending publication of L.A.Notification/Declaration in different news papers of the State. It may be found out that Swabhiman has got the highest number pending i.e. 14 with them for publication followed by Kholadwar 5 and Bharat Darshan 4. Some of these are as old as 6.9.2002 (Swabhiman Sl.2)

Normally, the daily news papers are supposed to publish the Notification/Declaration on the next day of receiving the same and send a copy of the published matter for further processing for quick disposal of L.A. proceedings. It is found that that some of these news papers are taking their own time to publish the notification which is creating delay in the entire process of Land Acquisition.

In view of such delay committed by some news papers, you are requested to kindly discontinue to give L.A. Notification to such newspapers who do not furnish the published copy of the L.A. Notification in a maximum time of one week. In case of failure to publish a particular Notification by any news paper, a cancellation order may be issued to that paper and the matter published in any other news paper which is found to be prompt in this regard.

Yours Faithfully,
