Date 21.06.2017

To
All Collectors

Sub: Provision of internet connectivity to RI offices provided by Bharat Broadband Nigam Ltd. (BBNL) under BharatNet project.

Madam/Sir,

In continuation of this Department Letter No. 16297 dated 19.05.2017 on the above cited subject, I am to enclose herewith the Letter No. 4600 dated 14.12.2016 issued by E&IT Department and to say that as suggested by that Department, the Revenue Inspectors may apply to BSNL authorities for obtaining broadband services under the plan GP-699. Depending on the usage and requirement, the same plan may be upgraded to higher plans subsequently. The expenditure for this may be incurred from the user fee available in tahasil offices. The notification issued by E&IT Department vide No. 276 dated 18.01.2017 in this regard is enclosed herewith for ready reference.

This may please be accorded Top Priority for effective and timely delivery of services to the citizens.

Yours faithfully

To
The Commissioner-cum-Secretary to Govt.
Panchayati Raj Department

Sub: Implementation of National Optical Fiber Network (NOFN).

Sir,

I am directed to invite reference to Panchayati Raj Department Letter No. 22514 dated 01.12.16 addressed to all Collectors on the above subject and to say that it is suggested to take up the lowest tariff plan GP699 by your Department & other Departments as it seems to be reasonable at the lowest cost. As the usage increases, the same plan can be upgraded to higher plans in subsequent period. Application formalities can be done by respective offices as per BSNL procedure.

Yours faithfully,

NOTIFICATION

The BhratNet project (erstwhile NOFN project) is a National Project with an objective to provide high speed Broadband services to all Gram Panchayats. The BhratNet phase-I project is being implemented by Bharat Broadband Nigam Ltd. (BBNL) The Broadband connections are being provided to the GPs in a progressive manner. The high speed Broadband of 100 Mbps at GPs level through the BhartNet project shall be very much useful for accessing Internet, online applications, applications under various Government schemes, etc. The BBNL has conveyed a special tariff plan for State Government Agencies/ Institutions for availing the Broadband services. The Government after careful consideration have approved the following for effective utilization of the Broadband infrastructure.

1. Individual Department at GP level may apply to BSNL for internet connection under three plans at present namely GP-699, GP-999 and GP-1499 in terms of letter No.53-7/215-NOFN-Ops dated 27.04.2016 of GM (NOFN), BSNL, Corporate Office, New Delhi. It is suggested that Plan GP 699 may be taken by the user Departments initially as the monthly charges are the lowest among the plan. Further, on modification of tariff plan by BBNL/BSNL in future, the new tariff plans shall be applicable.

The Broadband service can be subscribed by Gram Panchayat (GP) office and other Government institutions at the GP level belonging to other Departments. The applications may be made to BSNL for obtaining the Broadband service and the monthly charge under the selected plan may be paid by the offices of respective Departments.

3. The CSC working in Rajiv Gandhi Seva kendra may be encouraged to avail the Broadband services and these centres may be treated as agencies of Government to avail concessional charges.

~~4. The respective Departments may be advised to issue suitable instructions to their field level offices at GPs to avail the Broadband services at Block and GP's level.~~
