Sub: Allotment of land to the homesteadless people for construction of house under Rural Housing Schemes.

Sir,

With reference to the subject cited above, I am to say that the P.R. & D.W. Department have submitted priority waiting list of 31,587 landless (homestead less) beneficiaries identified under Pradhan Mantri Aawaas Yojana (Gramin) to avail house under the said Scheme. The district wise list of such homesteadless families is available in the website of P.R. & D.W. Department website (http://rhodisha.gov.in/report/priority_list.php). You can instruct the Tahasildars of your district to download the same in excel format. The soft copy of district wise list of landless households is also sent through email.

2. You have been also requested for conducting fresh survey on campaign mode to identify total number of homesteadless families in the rural areas who would be eligible for allotment of homestead land under the relevant provisions of OGLS Act & Rules and OPLE Act & Rules vide this Department letter No.16813 dated 09.05.2018.

3. You are, therefore, requested to instruct all Tahasildars of your district to download the landless (homesteadless) priority waiting list of PMAY (Gramin) beneficiaries pertaining to their Tahasils, conduct enquiry on the status of such beneficiaries and take necessary steps for providing homestead land to such identified homesteadless beneficiaries under the relevant provisions of OGLS Act & Rules and OPLE Act & Rules.

4. A Sub-divisional Coordination Committee headed by Sub-Collector with BDO and Tahasildar as members shall be constituted to review the issues relating to land allotment and building materials.

Any deviation on the matter shall be viewed seriously.

Yours faithfully,

Principal Secretary to Government
