Sir,

I am directed to say that with a view to facilitating railway connectivity to inaccessible areas of the State, the State Government have made unilateral commitment to the Ministry of Railways, Government of India to allocate both government land and private land in Daspalla- Balangir segment of Khurda- Balangir New Broad Gauge railway line project on free of cost basis and also to share 50% of cost of construction. Accordingly, a Memorandum of Understanding has also been executed between Ministry of Railways and Government of Odisha on 20th July, 2015 for implementation of the aforesaid segment of the project on cost sharing basis which provides that cost of the land for the above segment of the project shall be waived by the State Government.

(from 112 to 289 kms.) through 172 nos. of villages in 4 districts viz.-Nayagarh, Boudh, Subarnapur and Balangir. The following extent of government land in the above districts is required as per the alignment of the railway track which is to be alienated in favour of the Ministry of Railways.

3. Keeping in view the aforesaid commitment made by the State Government and in order to facilitate railway line connectivity to the remote areas of the State which would play a vital role in socio-economic development of those areas, Government, after careful consideration, have been pleased to decide that government land required for construction of Daspalla- Balangir segment of Khurda- Balangir New Broad Gauge railway line project shall be alienated in favour of Ministry of Railways, Government of India on free of all charges (i.e. free of premium, free of incidental charges and free of capitalized value of land revenue) basis.

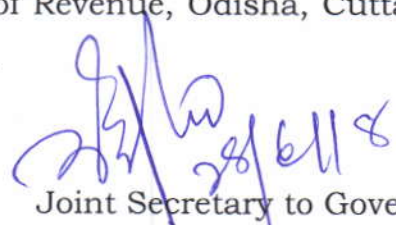

4. You are, therefore, requested to take appropriate steps in the matter accordingly.

Yours faithfully,
