**Sub: Fixation of target for distribution of house sites for the year 2005-06, 2006-07 and 2007-08 under PROJECT VASUNDHARA.**

Madam,

I am directed to say that it has been decided by Government that all identified 2,49,334 homesteadless families (as per enumeration reports received from Collectors) shall be provided with housesites under Project Vasundhara within a period of three years as a crash programme. Keeping this in view, Government have been pleased to fix the annual target of 83357, 83160 and 82817 homesteadless families to be provided with housesites during the year 2005-06, 2006-07 and 2007-08, respectively. The district-wise monthly targets fixed for three years are shown in statement (Annexure- I).

You are, therefore, requested to monitor the programme closely in each month so as to achieve 100% target at the end of each year. All the R.D.Cs may also review the programme regularly pertaining to the districts under their administrative control and furnish the review reports to Government unfailingly.

You are further requested that the monthly progress report should be furnished to this Department by the 10<sup>th</sup> of every succeeding month positively.

Since this scheme has been introduced on a mission mode, dedicated involvement of all officials in the field is the sine qua non for its ultimate success.

Yours faithfully,

**Sd/-**

Principal Secretary to Government
