GOVERNMENT OF ODISHA
REVENUE AND DISASTER MANAGEMENT DEPARTMENT

RDM-DILRMP-PLAN-0002-2018 - 24716 / Dated 6 JUL 2018

From

Sri Sangram Keshari Mohapatra
Joint Secretary to Government

To

All Collectors

Sub: - Implementation of web based Bhunaksha application for correction of cadastral map

Madam/Sir,

1. In inviting a reference to the subject cited above, I am directed to say that it is decided that the Tahasils which have completed more than 80% map correction will start implementing the Bhunaksha application by 1st July, 2018, those between 60%-80% will start map correction through Bhunaksha by 15th July, 2018 and the balance Tahasils will start map correction through Bhunaksha application by 1st August, 2018.
2. It is pertinent to mention here that all Tahsildars were already given training on Bhunaksha application at ROTI, Gothapatana, Bhubaneswar on 1st, 5th and 12th June, 2018 RDC wise separately. Further, the Bhunaksha operation manual has also been sent vide this Department letter No. 19669 dated 30.05.2018 for kind reference of the Tahsildars.
3. In this context, it is mentioned that after the training at ROTI and getting feedbacks it was found that **point distance measurement method** is suitable for correction of maps. Hence, this method shall be adopted for correction of maps through Bhunaksha and it will be synchronized with textually corrected RoR.
4. In view of the above, Government have been pleased to approve the use of web based Bhunaksha application software developed by NIC for correction of digitized cadastral maps. Further, the Government have also been pleased to approve the use of **point distance measurement method** throughout the State for correction of maps.
5. The district wise commencement of implementation of Bhunaksha application software is enclosed as Annexure-1. Further, it is also learnt that 100 nos. of Tahasils have done more than 80% cadastral map correction/ updation. Those Tahasils should start implementing Bhunaksha schedule from

10th July, 2018 even the enclosed district wise schedule is otherwise. This will ensure Spatial RoR to be in sync with Textual RoR.

6. For the remaining Tahasils, they must ensure completion of cadastral map correction/ updation by 31st July, 2018.
7. For implementation of Bhunaksha application software, in the first instance the Tahsildar will attend the correction of undivided plots. Once familiarized with the application software in one to two weeks, the correction of bifurcated bata plots will be taken up. Hence, as per the enclosed district wise schedule, all the Tahasils will ensure full implementation of Bhunaksha application.
8. The web URL of Bhunaksha is (<http://bhunakashaodisha.nic.in>). The user manual along with the district wise implementation plan are enclosed herewith.
9. To become familiar with Bhunaksha software one testing URL (<http://164.100.140.92.8080/Bhunaksha>) having User ID **2003-ri1** and password **admin** may be accessed.
10. You are, therefore, requested to kindly instruct the Tahsildars to implement correction of digital cadastral map as per the district wise timelines enclosed. Further, if felt necessary one day orientation programme may be arranged in the district level by 10th July, 2018.

Yours faithfully,

Sarpm
