No. 27299 / R&DM
RDM-IMU-EGOV-0001-2017

Date 21-08-2017

To

All Collectors

Sub: Reconciliation of village khata classification and RI circle information with bhulekh database.

Madam/Sir,

In inviting a reference to the subject cited above, I am to say that Bhulekh database is the primary database for land related information which is used by many departments for policy decisions and implementation of various welfare schemes.

1. While classifying the villages and khatiyans in a village in the Bhulekh database as per the guidelines communicated vide this Department letter No. 6786/R&DM dated 28.02.2017, districts like Ganjam and Keonjhar have reported that in some villages Government land is not available.

2. Similarly, while furnishing information on RI Circle Infrastructure as per the guidelines communicated vide this Department letter no. 16229 dated 18.05.2017, districts like Mayurbhanj and Dhenkanal have reported that the actual number of RI circles in some tahasils do not match with the existing number of RI circles in the Bhulekh database.

You are, therefore, requested to send the consolidated list of villages with Thana No. tahasil wise having no Government land to this Department. You are, further requested to verify the name of the RI circles from the list generated from Bhulekh database and shared with you, all Sub-Collectors & all Tahasildars through NIC e-mail dated 27.07.2017 and send the request for any change in the name and number of RI circles along with the supporting notification on creation / reorganisation of RI circles.

Yours faithfully,

Principal Secretary to Government
