Sub: Fixation of additional charge on unit quantity of minor minerals in case of quarry lease granted to Government Organisations and for quarry permits under the provisions of OMMC Rules, 2016.

Madam/Sir,

In inviting a reference to the subject cited above, I am directed to say that Rule 39 of the OMMC Rules 2016 provides for reservation of any area for lease for quarrying operation by government organisations subject to such terms and conditions as may be decided by Government. Sub-Rule-5 of the said rule speaks that the lessee, to whom a lease has been granted under this rule, shall pay to the Government all amounts payable by a lessee under these rules and such additional charges as may be decided by the Government from time to time.

Keeping the above in view, Government, after careful consideration, have been pleased to decide that average of the five highest additional charge bids received during last three to five years for leasing of the same minor mineral sources in the same Tahasil or nearby Tahasil of the same district or nearby district will be taken as the additional charge for lease of minor mineral sources in favour of Govt organisations on nomination basis and also for issue of temporary quarry permits.

Necessary steps may be taken to carry out the above decision and all concerned may be informed accordingly .

Yours faithfully,

Additional Secretary to Government
