Sub: Alienation of Government land in favour of the
 Union Government for the purpose of National Highways.

Sir,

I am directed to say that as per this Deptt. Circular Letter No.61428/R. dtd.20.9.1983, Government lands required for the National Highway purposes are being transferred in favour of the Government of India free of cost without payment of market value (inclusive of capitalised value of land revenue). // The Government have, however, reviewed the aforesaid decision, in the mean time,. After careful reconsideration, Government have been pleased to decide that no premium for the Government land transferred to the Union Government for National Highway purposes shall be charged. However, the Union Government would henceforth, be required to pay the capitalised value of land revenue, which is computed 25 times of the annual rental, in respect of the Government land transferred for National Highway purposes.

The cases already settled in pursuance of earlier circular, need not be reopened. The cases, which have not been finalised, shall be disposed of as per this circular.

All concerned are being informed accordingly.

Yours faithfully,

Joint Secretary to Government
