Sub: - Implementation of Bhunaksha application for digital map correction

Ref: This Department letter No. 19625 dated 30.05.2018, No. 24716 dated. 06.07.2018, No. 31899 dated. 28.09.2018, No.31916 dated. 28.09.2018

Madam/ Sir,

In continuation to referenced letters of this Department on the subject cited above, I am to say that for successful disposal of any mutation case and correction of any RoR, map correction through Bhunaksha application software has been made mandatory w.e.f 01.09.2018.

In this context, you have been instructed to implement Bhunaksha for which district wise schedule plan has also been already communicated to you.

However, in the 55th weekly review meeting of DILRMP, it was found that Rayagada, Ganjam and Jharsuguda districts have made good progress in Bhunaksha application implementation. Again, districts like Dhenkanal, Angul, Nuapada, Bargarh have made progress some extent whereas districts like Bolangir, Kalahandi, Keonjhar, Puri, Jagatsinghpur, Jajpur, Khurda, Malkangiri and Boudh have yet to start the implementation the application. A district wise implementation of Bhunaksha as on 21.08.2018 is enclosed herewith for your reference.

It is prudent to mention here that since map correction through Bhunaksha application software has been made mandatory for disposal of any mutation case and subsequent RoR correction, Bhunaksha must be implemented in all Tahsils at the earliest otherwise it will create a widespread general public resentment.

You are, therefore, once again requested to instruct all Tahsildars to fully implement Bhunaksha application immediately for digital map correction for successful mutation disposal in LRMS and ADM and sub-collectors under your administration to diligently follow the implementation process in your district.

Yours faithfully,

Principal Secretary to Government
