**Sub: Monitoring of Online Mutation in Tahasils**

Madam/ Sir,

In inviting a reference to the subject cited above, I am desired to say that BSNL was instructed to provide 2 mbps MPLS internet connectivity to 100 nos. of Tahasils in the first phase out of which BSNL has given MPLS connectivity in 64 Nos. of Tahasils till date. The list of such Tahasils is enclosed. In the coming month, i.e., by the end of December, 2017, all the Tahasils of the State will have 2 mbps MPLS connectivity for Online Mutation.

In this connection, I am also to say that operationalization of Online Mutation is one of the ambitious initiative of Revenue & DM Department that will make the revenue administration in the State more transparent and will bring the Governmental initiatives closer to the people.

You are, therefore, requested to instruct DIO, NIC to immediately install the LRMS software in the concerned Tahasils for starting of Online Mutation and also closely monitor the process of Online Mutation personally through ADMs and Sub-Collectors to make such initiative of the Government a success.

Yours faithfully,
