3 NOV 2018

From

**Dr. C.S.Kumar,IAS**

Principal Secretary to Government

To

All Collectors

**Sub- Online payment of revenue dues**

Sir,

In inviting a reference to the discussion held on 31.10.2018 in course of ADM's Conference, I am to say that the Govt. have been planning to collect revenue dues in online mode with effect **from 01.01.2019 in respect of all districts**. However, the online payment will be in addition to the existing mode of collection/payment of revenue dues and the application software benefit the interested citizens who would opt to pay the dues ,digitally. Those districts which have made maximum TL entries will be considered first for online payment and the process will start with effect from **December,2018**. You would appreciate that in addition to promoting e-Governance, this will be a citizen-friendly initiative

To make it possible, it is requested that all Tahasildars should be instructed to incorporate necessary entries pertaining to Tenant's Ledger in online mode within a fortnight . A statement indicating progress of TL entries (MTA) is enclosed herewith for your reference.

This may be treated as "**Most Urgent**"

Yours faithfully,

Principal Secretary to Government
