From

Sub: Computerisation of Land Acquisition Offices in the state.

Sir / Madam,

In inviting a reference to this Deptt. letter No.32583/R&DM dt.20.8.09 I am directed to intimate that it has come to the notice of the Govt. that the computers have not been provided for LA offices for which there is delay in processing the LA matters. A software for computerizing the land acquisition process will be provided shortly to all Spl. LA Offices / L.A. Offices which will make the LA offices process simpler and quicker. It is, therefore, decided that Collectors may purchase computers along with all accessories as per requirement (including scanner, printer, operating software etc.) and requisite furniture to make the entire LA process on line out of LA contingency fund following the appropriate procurement procedure, subject to availability of funds.

The expenditure so incurred may be booked under item (VIII) – Other Contingent expenditures necessary in the land acquisition process of the accounting procedure Rules for LA contingencies retained by the LA Authorities.

Yours faithfully,

Commissioner-cum-Secretary to Govt.
