Sub: Regarding Distribution and Mutation of *Bhoodan* Lands

Madam/Sir,

It has come to the notice of Government that *Bhoodan* lands are being distributed to beneficiaries without following the prescribed procedure and without proper verification of the relevant land records.

It has been observed that if the present status of the land is not duly verified before its distribution, it may give rise to legal complications at the time of mutation and recording of the *Bhoodan* lands in favour of the beneficiaries by the concerned Tahasildars.

In view of the above, Government has decided that the distribution and mutation of *Bhoodan* lands in favor of beneficiaries shall be **kept in abeyance** until further instructions. **No transfer** in respect to any *Bhoodan* land which has already been distributed and mutated in ROR earlier shall be allowed by Registering officer forthwith.

A comprehensive data pertaining to the extent of lands donated to *Bhoodan Yajna Samiti* and distributed thereof, land recorded in Hal-ROR and land recorded in favor of beneficiaries shall be furnished with due certification by the Collector within a month. All field functionaries shall be instructed to abide by the decision of the Government in letter and spirit.

This may kindly be treated as **MOST URGENT**.

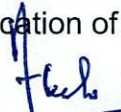

Yours faithfully,

Additional Chief Secretary to Government
